We work with 30 churches offering friendship, advice and preaching. These churches pray, give and sometimes send people out on our missions.

*'He has given us new birth into a living hope through the resurrection of Jesus Christ from the dead.'* 1 Peter 1:3

## Meet the Founders

Richard and Elaine Brunton married in 1973. They have five sons. After serving in a pastoral role with two churches the Lord called them to wider ministry in 1994 which led to the founding of *Living Hope*. At their wedding they sang the hymn *Trust and Obey – What He says we will do, where He sends we will go*. We rejoice to serve God together – still seeking to trust and obey.

# A Brief Insight into How We Operate

## Accountability

It is good to be held accountable and we have a team committed to that task.

## Ministry / Prayer Partners

We are very grateful for all who pray. The monthly first Friday prayers meeting has been so encouraging as people from different countries have joined us on zoom.

## Finance Team

We are grateful for those who keep the books and watch over our accounts.

## Mission Team

Travelling has been restricted but there is a team ready to go to the various countries that we serve. We are also adding to the team gifted local nationals.

## Bible Materials

We have a pastors' handbook, a basic key doctrine series, monthly Bible studies and several studies on Bible books.

We are looking to update the handbook and also develop a series on 'Questions leaders ask me.'

## Media / Telephone Team

We are grateful for those who help edit and produce T.V. programmes, podcasts and telephone messages to groups in Kenya, Pakistan, Sierra Leone, Ecuador, Uganda, Philippines and India.

Some of the T.V. stations give a wider audience to many other nations as their signal can be picked up far from where they broadcast. Our you tube audience is potentially worldwide. We also have short programmes translated into Telegu, Spanish, Arabic and some in Urdu.

## Exciting Developments

### Radio in Kampala

The Burn radio is a new project in Kampala and has recently begun a Bible academy to train young people in the gospel ministry.

### ◀ Gospel Impact in Malawi

### Baptisms in Burundi ▶

### ◀ South Sudan Crusade

*'Preach the Word in season and out of season.'*
