

EUROPE

The team working with our European friends has developed strongly over the last few years. This is again very much building personal friendships and being available to key leaders to support them in their ministry. When one of these key leaders is visited, there is the opportunity to work out a ministry programme which comes out of discovering what the key leaders believe what will be helpful.

THE MEDIA

TV Team: Richard, Elaine, Maria Jose, Adrian and Jenny and Matt Newett. Chio translates the monthly Bible study into Spanish and provides Spanish and Swahili subtitles for some of our YouTube channels. Maria Jose also translates Bible teaching material into Spanish.

Our **Monthly Bible Study** is available in English, Spanish, Russian, Ukrainian, Luganda, Swahili and Urdu. Our friendship with Hope Now has enabled our monthly Bible study to be translated into the Ukrainian and Russian languages.

Radio stations receive our programmes or live teaching in Sierra Leone, Uganda, Liberia, Zambia and through these stations many other countries are also reached. Patrick records Richard's teaching.

Monthly Telephone Teaching The telephone team includes Chris, Scott, David B., David W., Peter, Dave R., Steve and Richard. The team cover 18 groups each month.

HOW TO SUPPORT US

After March this year Richard will no longer receive an income from the Trust. There are two important ways that you can support the ongoing work. To support Richard and Elaine personally they have a Stewardship account and the link is provided on the website. For the wider work there is a Barclays` account which on request, details can be emailed to you.

I believe we should look for a harvest of many souls for Christ and take on board Jesus' words "The harvest is plentiful but the labourers are few. Pray the Lord of the harvest that He will send labourers into the harvest." Matthew 9:35-38.

Serving in God's harvest field is not our choice but it is to obey God when He calls us. We must be prepared to work hard but know without Him we can do nothing. Jesus turned the water into wine but it was the servants who filled the jars with water.

Jesus fed the crowd of five thousand but the disciples organised and took the food to them.

Let us play our part.

JESUS IS LORD!

UK TEAM

Living Hope Ministries began in 1994 and by God's grace grew from a single contact in Kenya to contacts in Africa, Asia, Europe, South America and New Zealand. A team of people now have picked up the baton to take care of visits to many of the 30+ countries which Richard pioneered by visits over the last 26 years.

Richard's mission now is to care for all the team members with advice and support in their spiritual development. He continues to be supported by his wife, Elaine. He will continue producing Bible studies and other Bible materials, podcasts, TV programmes and videos for

the LHM You Tube channel. He will still be contacting and praying for the main friends overseas and sharing live messages by telephone to groups in Ethiopia, Kenya, Uganda, Malawi, Sierra Leone, Burundi and Liberia. He will continue to visit the UK churches that support LHM. We value very much your prayers and financial support as the Lord leads. God bless. Richard and Elaine

Richard will oversee the team members going out on mission. He will continue to produce Bible studies, podcasts, TV programmes, other teaching materials, telephone ministry, YouTube & UK Teaching.

AFRICA

Africa is a special continent because the ministry began in Kenya. One is always amazed and blessed by the worship of our African brothers and sisters. Their hunger for God's word is quite incredible and it is also true that within several of the African countries, there are places which have not heard the Gospel preached. Reports of people finding Christ in Kenya, Uganda, Malawi, Sierra Leone, Congo, Liberia, the Sudan, Ethiopia, Mozambique, Tanzania, and Rwanda are very encouraging and we feel a great responsibility to provide teaching so these new believers can be discipled. This is a priority task for the LHM mission worker to achieve. We are also very pleased that some of our African friends have a burden to go into other African nations and they are valued members of the Living Hope team. Pray that all the resources team members need will be released for them and that they are free to pursue whatever they see appropriate for the country they serve. The team members shown below will seek to provide teaching seminars and will develop their friendship with the key country contact to stand with them in their ministry.

ASIA & SOUTH AMERICA

Pakistan and India are countries which are predominately Islam and Hindu. Although we have visited these countries, our major role is to provide YouTube videos, TV programmes, Podcasts and Bible studies. We seek to strengthen and support our key people in these countries. The Philippines are part of the world that experience spiritual opposition and natural disasters; again it is the media which is our main vehicle to support the task of teaching God's word in these islands. Our contact in Nepal is a more personal friendship as we encourage a brother who does very similar work to Living Hope.

Our partnership with Meadow Grove Baptist Church in Mississippi has strengthened the work in Ecuador, Colombia and Peru. We are grateful for very good Spanish translators who enable our materials to be available for our friends in these countries.
